

KENNY

*(After a bit of reflection.)* So, you're like my dad.

CLAIRE

What do you mean?

KENNY

I mean, he's lying there on his death bed, not because there's anything wrong with him, but because of some devotion to an ideal. Claire, your heart is broken, too. You just haven't accepted it yet. You think you can glue it back together by fulfilling Billy's dying wish but I guarantee you that, even if you find that perfect soul, it's not going to heal your heart.

CLAIRE

*(After thinking on this for a bit. Defeated.)* I'm so tired.

KENNY

Of course, you are.

CLAIRE

And frustrated.

KENNY

Sure.

CLAIRE

*(Beginning to break.)* And angry.

KENNY

At what, Claire?

CLAIRE

*(Breaking completely.)* At Billy. Not because he killed himself...those demons are hard to resist and I don't blame him for that. But he gave me an assignment, a quest. I'm sure he didn't think it through but how else am I supposed to take it? How?

KENNY

He loved you and wanted to take care of you. He wanted you to be happy. That's all. I don't think he wanted you to spend the rest of your life looking for the "perfect soul". Think about it. Do you really think he would have consciously laid that burden on you?

CLAIRE

This has been my whole life.

KENNY

I know. Maybe it's time to start again.
